Evolution: The 'Mother' of Evil in America

January 31, 2006

Darwinian Evolution is the 'lynchpin' of abortion, homosexuality, pornography, immorality, violence and injustice in America. Posited as scientific fact, it diverts the minds of our youth and generations of adults from objective truth revealed in Judeo Christian teaching about God as Creator, the sinful nature of man, morality, and even the validity of Christ as Savior of the world.

The Chief Cause of Hopelessness & Despair

It's teaching as fact in our public schools is the main cause of hopelessness and despair amongst our youth. If it is removed from the category of scientific 'fact' to what it is, a foolish theory without scientific support, and a gigantic fraud, all the evil that is accepted, condoned and legalized in America can no longer be rationalized and forced upon the public in the name of 'science.'

This is why 'Intelligent Design' is being attacked by the left, liberal judges, evolutionists and non Christians. It has moral implications they wish to avoid. By it's very acceptance, evolution destroys the notion of moral accountability and human life 'made in the image of God' and accountable to Him.

A Moral Vacuum

If mankind 'evolved,' there is no real basis for morality, and therefore, no basis for 'justice.' If we 'evolved' by 'chance,' from primordial soup, and eons of time, and we are not 'created' by an intelligent, purposeful and moral creator, we are not 'made in the image of God' and there is no superintending moral basis from which to build a society. There is no 'right and wrong' and all of life is 'relative.' Murder becomes easy. Homosexuality is 'natural' and opposition to pornography is without basis.

No Marriage, No Law, No Restraint

If evolution is true, there is no real basis for denying marriage to anyone, even differing multiples of males and males, females and females, and males and females who believe they should be just as entitled to state approved privileges and benefits.

There is no basis for law, period, except the latest popular poll to see what the culture prefers this year. Men and women can do drugs, include their children in

group sex, burglarize and rob, engage others against their will, and gang rape or kill those they dislike.

Secular Rule & Reign

Proclaiming the theory of evolution to be a fact, those who deny the God of the Universe have been given free reign by passive and ignorant Christians to rule America through government schools that deny creation and proclaim evolution; through courts with judges who no longer believe in the relevance of God's laws, and through elected officials who believe the same. As a result, America no longer has a moral compass, and with no moral compass, no stability or security in our homes, our schools, our families, our jobs and even in our private lives.

Hollywood hedonism and titillating advertising as well as political adventurism reigns and rules as long as we continue to teach generation after generation that evolution is a fact. How enlightened is this?

How Do You Protect Your Children?

Fathers? Do you want your daughters unprotected from the morally depraved who lack a moral conscience, male or female? Is there nothing pure, noble, moral, and worthy to defend if there is nothing to restrain our lower nature? No accountability, no justice, no protection, no eternal 'laws of order and right?' Must there be more 'Jessicas' before we act? Must we tolerate more child molestation, kidnaping, rape, child pornography, child rape, and child slavery, not to speak of adult slavery, for sexual perverts? What was once unthinkable now includes even our sons!

What Is Liberty Without Wisdom and Virtue?

Edmund Burke, the great British Statesman of the 18th Century said, *"What is liberty without wisdom and without virtue? It is the greatest of all possible evils; for it is folly, vice, and madness, without restraint. Men are qualified for civil liberty in exact proportion to their disposition to put moral chains upon their own appetites... Society cannot exist, unless a controlling power upon will and appetite be placed somewhere; and the less of it there is within, the more there must be without. It is ordained in the eternal constitution of things, that men of intemperate minds cannot be free. Their passions forge their fetters."*

Indeed, our passions, loosed by the teaching of evolution as fact, are forging our 'fetters.'

How Do We Change The Dismal & Tragic Legacy of Darwin?

Some contend that we cannot, however, **a growing number of Americans believe we can, and should**, with God's blessing and encouragement.

Hence, the **Restoring Northwest American Conference** March 3-4th at Rolling Hills Community Church in Tualatin, Oregon.

Gary DeMar, Founder and President of **American Vision** will speak to **"The Moral Implications of Darwinism"** and **Dr. Geoff Simmons** will expose the fallacies of Darwin's theory in his address, **"What Darwin Didn't Know."** **Janet Folger** will speak to **"How Christians Can Change the Culture"**. **Dr. Gary Cass** will reveal a **"Strategy to Transform Your Community"**. **Marshall Foster** and **Dr. Rick Scarborough** will speak to **"Winning The War on Faith"** and **"The Third Great Awakening"**. **Matt Staver**, President of **Liberty Counsel** and the attorney who

argued the Kentucky Ten Commandments Case before the U.S. Supreme Court, will address our future with a message titled "**On The Brink Of History.**"

Christians from throughout the Northwest and other Western States are welcome as we hear these nationally prominent speakers address the issues of our time and how together we can restore the culture to the vision of the Founders.
