

WHAT IS A SALT & LIGHT MINISTRY?

Preserving our Christian Culture through Citizenship

A *Salt & Light Ministry* seeks to reclaim and preserve our Judeo-Christian heritage through responsible citizenship.

Our culture is experiencing moral decay. History proves that the Church can and should be a powerful voice for good. Edmund Burke said, "All that is necessary for the forces of evil to triumph is for good men to do nothing."

A *Salt & Light Ministry* provides a group setting for like-minded, concerned citizens to pray, become educated and take action on issues that directly impact our biblically-based values and constitutional liberties. Led by church volunteers, we are a pastor assist program requiring minimal involvement.

A simple way to understand this ministry is best described by the acronym **PETER**:

Pray - We pray for elected officials, issues, legislation and spiritual revival. We are a prayer ministry first.

Educate - We educate on issues, legislation, God's non-negotiable moral values, historical foundations, the Constitution and biblical worldview.

Take Action - We take action on issues and legislation.

Elections - We distribute non-partisan voter guides and party platforms.

Register Voters - Less than half of the people in our churches are registered to vote, and of those, 43% don't vote values.

Join us as we knit the church body together. *We can and will* reclaim our culture for the Kingdom of Christ.

By the way, we have **TEEN SALT & LIGHT** — raising the next generation of value voters.

SALT & LIGHT PRAYER FOR OUR COUNTRY: "if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land. Now my eyes will be open and my ears attentive to the prayers offered in this place." *2 Chronicles 7:14-15*

MISSION PRAYER OF SALT AND LIGHT: "I urge, then, first of all, that requests, prayers, intercession and thanksgiving be made for everyone - for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God our Savior, who wants all men to be saved and to come to knowledge of the truth. For there is one God and one mediator between God and men, the man Christ Jesus." *2 Timothy 2:1-5*

Steps for reclaiming the culture for Christ

Approach Your Pastor

As followers of Jesus Christ, you are called to put your faith into action.

We must have the knowledge and courage to remind others that this is a nation under God and pray for repentance and salvation.

Step out in faith and take the first step in your church. Make an appointment with your Pastor to share information about starting a *Salt & Light Citizenship Ministry*.

Step Up and Lead

All the resources you need are provided by the *Salt & Light Council*. Consider the possibility of overseeing this important ministry in your own church.

Get Educated

We must be biblically literate and historically accurate in order to protect and preserve our Founding Fathers principles and intent. Their intent was to preserve this great nation under God indivisible with liberty and justice for all. We shall perish if we don't know what we stand for. We must learn it to defend it!

We offer DVD courses with study guides to educate church members on biblical authority, creation vs. evolution, our rights and obligations as Christian citizens, historical foundations, and constitutional rights.

FOR PASTORS

*Black Brigade Pastors
leading the charge for America*

Approve a Salt & Light Ministry

As the shepherd of your congregation, it is important for you to acknowledge the need for a *Salt & Light Ministry*. Pastors have a powerful platform from which to influence our culture for significant and positive change. Matt Staver of Liberty Counsel states, "*Pastors should throw away the muzzle of fear and replace it with a megaphone of boldness. ..(while there is still time).*"

Appoint a Lay Leader

At your invitation, a speaker from the *Salt & Light Council* will come to share with your members the vision and calling of the ministry. From this brief (5 minutes) sharing will come a volunteer leader to make it happen at your church. We have seen it time and time again. Your flock is hungry to make a difference for Christ and we give them the tools and training to get started and sustain the effort.

We are a real solution to the ills in America providing needed resources and training for Lay-Leaders and Pastors.

EASY 1-2-15 SALT & LIGHT SUNDAY

Pastors, reversing the moral decay and impacting the culture for good may seem like an insurmountable task but it is not. We are only asking you to take responsibility for one church - your own church.

**Two Minutes
One time a month
from the Pulpit**

Just commit to take two minutes on the first of each month to inform your church body about the *Salt & Light* issues.

We provide you with a monthly summary of issues and prayer requests. Each summary has been legally vetted by counsel so that you can boldly speak on the issues presented.

You provide your flock with the seeds of information and guidance they are hungry to hear.

**2 Minutes once a month,
can change the world!**

**15 Minutes
Once a month
be Salt & Light**

The key to success is to enable the congregation to take action!

Action steps can be taken in just 15 minutes after the service at a *Salt & Light Ministry* table.

We enable your congregation to follow through on your two minute announcement with maximum impact and appropriate action.

Research shows that one handwritten postcard to an elected official is equivalent to the voice of 1,000 constituents, AND just 40 postcards garners attention!
