

## The 2012 Elections

### The Most Pivotal Elections In Our Nation's History

*"Where there is no vision, the people perish" - Proverbs 29:18*

Dear Friend of Restore America,

The Elections of 2012 will determine whether the people of America return to limited government, fiscal accountability, and the values of our Forefathers, or choose to become a top down, government controlled socialist nation.

The challenge to Evangelical Christians—the largest single voting block in America—is whether we will remain on the sidelines by the millions as in past elections, or embrace our citizenship duty at the ballot box to restore the nation to those values and principles that ensure the blessings of God.

John Jay – First Chief Justice of the U.S. Supreme Court said...

*Providence has given to our people the choice of their rulers, and it is the duty, as well as the privilege and interest of our Christian nation to select and prefer Christians for their rulers."*

As Jay wrote, it is our **duty** and **privilege** to **select** those who honor Christ in their lives and public service to represent us in high office at all levels of civil government. It is in the best **interests** of our nation, our posterity, and freedom loving people around the world.

### Turning Out The Largest Christian Vote In History

Only **33 million** of the **58 million voting eligible** Evangelicals **VOTED** in the **2004** and **2008** General Elections.

If we are to preserve the Judeo-Christian values upon which the nation was founded—and our institutions depend—it is crucial that **millions more Evangelical Christians be mobilized to VOTE in 2012!**

## The "America2012" Project

In 2008, Barack Obama used the **internet, social media, and cell phones** to mobilize and turn out the **largest VOTE in the nation's history (128 million)**. In March of this year, **Restore America** approached the most

successful Christian internet marketing and communication group in the nation to develop and execute a **strategic marketing plan to broaden our base of support and mobilize millions of Christians to VOTE in 2012.** We raised the necessary funds to engage their services, develop the Strategic Plan, and will commence the Project **November 15<sup>th</sup>, 2011.**

## Trinet Internet Solutions

<http://www.trinetsolutions.com/> based in Southern California, is a full service web firm that utilizes state of the art social network, internet, and mobile outreach strategies that will engage, mobilize, and direct millions of Christians to our specific calls-to-action that will include voter registration, and Voter Turnout from coast to coast in the Primaries – including key states – and November 6<sup>th</sup> General Election.

Their clients include **World Vision, The Billy Graham Evangelistic Association, Samaritan's Purse, Focus on the Family, Campus Crusade for Christ, The Red Cross, The Salvation Army, Feed the Children, TBN, Love Worth Finding, Precept Ministries, and Coral Ridge Ministries,** as well as major secular companies.

## Our Goal

Partnered with **Trinet Internet Solutions**—our Goal is to **Identify, Register, and Turnout 3 million more Christian VOTERS in the 2012 elections than in 2004 and 2008.**

Cost of the **"America2012"** Project: **\$600,000**

## Raising The Funds To Implement The Strategy

Funding for this Project is entirely possible if **300** of the thousand people who have made contributions to Restore America over the last 12 years, will **believe**, and **ACT... together!** **Working together**, we can raise the **\$600,000** that is needed to turnout the largest Christian Vote in history and **impact every race in the nation.** Here's how:

*If men of wisdom and knowledge, of moderation and temperance, of patience, fortitude and perseverance, of sobriety and true republican simplicity of manners, of zeal for the **honor of the Supreme Being and the welfare of the commonwealth**; if men possessed of these other excellent qualities are **chosen** to fill the seats of government, we may expect that our affairs will rest on **a solid and permanent foundation**.*

*Samuel Adams—Father of the American Revolution—Signer of the Declaration of Independence*

*When you become entitled to exercise the right of voting for public officers, let it be impressed on your mind that God commands you to choose for rulers, "just men who will rule in the fear of God." The preservation of government depends on the faithful discharge of this duty; if the citizens neglect their duty and place unprincipled men in office, the government will soon be corrupted; laws will be made, not for the public good so much as for selfish or local purposes; corrupt or incompetent men will be appointed to execute the laws; the public revenues will be squandered on unworthy men; and the rights of the citizens will be violated or disregarded. If a republican government fails to secure public prosperity and happiness, it must be because the citizens neglect the divine commands, and elect bad men to make and administer the laws.*
