

As **David Lane** of the **American Renewal Project** stated, "Separation between church and state - there is no such clause in the Constitution... to keep conservative, Biblical churches from **registering and voting.**"

How We Win!

Working together "**As One Man**" (Judges 6:16, 20:1,8,11) to register and turn out our voters in election after election, we can defeat any attempt to overturn the Marriage Amendment to the Oregon Constitution, and change the trajectory of Oregon's moral, educational, and economic future!

The Call

As Christians recognize the danger ahead, and call one another to **our citizenship duty to VOTE**, we can... along with like minded **Catholic, Mormon, Conservative,** and **Mainline friends...**

- **Preserve** our state's Constitutional Amendment recognizing marriage is between a man and woman only.
- **Elect** a majority of conservative representatives to our legislative, judicial, and executive branches of government.
- **Restore** Oregon civil government to conservative moral, fiscal, and education policies and laws.
- **Protect** our children from politically correct curriculum and revisionist education policy.
- **Maintain** our God granted and hard won freedoms from those who seek to undo them for their own purposes.
- **Demonstrate** that radical, unconstitutional agendas are NOT inevitable, and can be stopped, state by state.

On the other hand, **if we fail to work together** to mobilize our voters, and **Basic Rights Oregon** and the gay and lesbian organizations in America succeed in their plan to foist their agenda on all Oregonians in the 2014 elections...

- Oregon will be **targeted** as the next state to "*control and shape the attitudes and values of young children regarding family structure and human sexuality*" in alignment with the [Minnesota Bill](#).
- We will have **lost our opportunity** to restore, protect and maintain our freedoms, and what our children are taught.
- We will have **sent the message** that marriage as God ordained it is no longer a sanctified institution to Oregonians as we just a few years ago said by our votes that it was.
- We will have **lost the battle** for our children, our religious freedom, our free speech rights, and Oregon as our Founders sacrificed to give us.
- We will have **turned away** from our Covenant with God and the blessing of God that goes with it.

Calling the Body of Christ as salt and light citizens to **uphold** His righteousness and justice through our Votes, has been the purpose, objective, and Call of God for **Restore America** for over 14 years...for such a time as this.

It is the very reason **Restore America** exists and why your support is critical. Faint not. Stand firm. God's arm is not short on behalf of those who trust in Him as they labor in the power and faithfulness of God. Rise up men and women of God, and see the glory of God manifested again in Oregon.

[Please give generously today](#). We cannot succeed in mobilizing the Body of Christ without the sacrificial support of those who read our Commentaries, Updates, and Alerts; and fund the necessary and extensive communication and mobilization projects. And to our regular donors... **thank you** for your faithfulness! You make it possible for us to remain true to our Calling in Christ!

Thank you and may God manifest His blessings on all Oregonians through you.
